Making Your Choice

- Please refer to the full admissions criteria for entry into Post-16, as published in the school prospectus.
- All subjects are 10 periods per fortnight (two-week timetable cycle)
- There are also some core periods: e.g. Enrichment Activities and Careers.
- Repeat GCSE English or Maths is available; you will need to have a Grade D to be accepted into a repeat class and you **will not** be able to repeat both.
- Essential Skills **may** be available for pupils who will not achieve a pass in GCSE English and/or Maths.
- Some subjects have specific entry requirements – please check subject information carefully.
- **Please choose a MAXIMUM OF 4 SUBJECTS – only 1 choice allowed from each group.**
- Pupils must have strong GCSE grade A/B profile to be considered for study of a 4th AS subject.
- Pupils are advised to choose only one BTEC Subject if combining BTEC and GCE courses.
- Speak with your teachers – they will be in a position to advise you as to the subjects that would make a good 'A' level choice for you.
